Dear Parents, students and other members of the BEST community:

You will have seen around the School a number of posters announcing the start of our GREEN AND CLEAN SCHOOL policy, starting on May 14th 2012. Please help us by supporting this project and only using plates, bowls and cups that can be washed and re-used. Please do not send your child to school with food or drink in plastic bags that cannot be re-used.

Thank you from the Chairman, members of the Board and staff of BEST School.
