

Study Abroad in the United Kingdom

When student was graduated from B.E.S.T. their choices are pointing out to study abroad in the United Kingdom, by studying in the United Kingdom you have the option of living in one of four separate countries with easy travel throughout the rest of the UK. Wales, Scotland, Northern Ireland and England all have their own rich history, diverse culture, and vibrant lifestyle.

The best way for seeking information is click through The British Council Website which was mentioned that ***“prides itself on seeking new and open ways of engaging with the worldwide community. In order to build integrity and trust, it is important that we set an example by opening up more of our organization to the world”***.

“We are committed to making the maximum amount of information about us and what we do readily available at minimum inconvenience and cost. It is important that all sections of the community can access information about us and we will, as far as possible, aim to make information available via our website. Where possible, we will also provide information in alternative formats, including in hard copy, if asked to do so.

A large amount of the British Council’s information is available on our country websites. Some of these websites are translated into local language. You can find a list of each of our [overseas offices](#) on our website, where you will also find our office contact details and links to country websites. If you are unable to find the information you require on our website: britishcouncil.org”
